

25 - 29 NOVEMBER

PEM WEEK 2024

RISING TO THE CHALLENGE
DEDICATED TO EVERY CHILD, EVERY EMERGENCY

An aerial photograph of Kuala Lumpur, Malaysia, at sunset. The Petronas Twin Towers are prominent in the center-left, with other city buildings visible. A hot air balloon with orange and black vertical stripes is floating in the sky to the right of the towers. The sky is filled with orange and yellow clouds, and the city lights are beginning to glow.
